Go Green

**Fuel for the Entire Body
Dietary Supplement**

"Balance Your Body" with GO GREEN!

What is pH? The pH scale is used to measure how acidic or alkaline the blood is. Just changing the pH by 1 or 2 points affects the body's electrical chemistry drastically.

*The GOAL is to keep your pH in a balanced range of 6.8-7.2
When the balance is disrupted, illness and even death can result.*

An Imbalanced pH Can Lead to...

EARLY ACIDOSIS

- Acne
- Low sex drive
- Food allergies
- Bloating
- Difficulty waking up in the morning

MODERATE ACIDOSIS

- Asthma
- Urinary infections
- Excessive hair loss
- Depression
- Migraines

SEVERE ACIDOSIS

- Cancer
- Lupus
- Multiple Sclerosis
- Rheumatoid Arthritis
- Tuberculosis

What can cause an imbalanced / unhealthy pH?

- Dehydration
- Stress
- Additives
- Low quality food
- Exposure to toxic chemicals.
- Too Much Caffeine

FACT:

A healthy immune system is the #1 key system to preventing sickness, viruses, bacteria, parasites, fungus & chemicals from damaging the body.

Go Green is designed to energize, revitalize, alkalize, cleanse, facilitate mental energy, support a healthy immune system and much more...

Go Green consists of a well balanced blend of 77 quality ingredients for your daily diet to include...
